COMING SOON... Giving Blueday

March 19, 2025 is Giving Blueday - 24 hours of giving to various funds at the university, with lots of exciting matches and challenges to maximize donor impact. As we have in the past, Mrun is participating in Giving Blueday and we would truly appreciate your support.

As a student organization on campus, our budget is made up mostly of player-paid dues, fundraising events, and many previous acts of generosity from donors. Gifts of any size make an impact on our ability to succeed, so **please save-the-date for Giving Blueday 2025, Wednesday, March 19.**
